Annual Fund Gifts

1918 Society
Honoring Dr. Nathan Griffin, Dr. Charles Lamson and Dr. Anna Littlefield, and the New London Nursing Association, which founded New London Hospital on October 1, 1918.

The 1918 Society recognizes donors who make leadership gifts in support of New London Hospital’s Annual Fund. NLH’s Annual Fund provides unrestricted support for charity care and financial assistance programs, education and training for our physicians, nurses, emergency health providers and other clinicians, and enables NLH to purchase new equipment and upgrade technology.

NLH’s Annual Fund has been making a difference every day since 1918!
